#### **Confidentiality**

Counselors keep information confidential, including information shared by students or parents. If cases where the student's life, health, or safety is at stake, confidentiality does not

apply, parents and/or the appropriate agencies will be promptly notified. Teachers keep student records confidential. Monsignor Edward Pace follows FERPA (Family Educational Rights and Privacy Act) when dealing with school records.

### **Pregnancy**

Although premarital sex is considered neither acceptable nor moral within Church teaching, it is essential that the basic belief in the value of life be kept paramount. Because the Catholic Church is pro-life, all that can be done to preserve life will prevail and nothing will be done which may encourage a girl to have an abortion. Therefore, it is advised that the parents, guidance personnel and administration, as well as the couple involved, come to workable solution which will enable the student to continue with Catholic education at the secondary school. In every case, professional counseling of both the boy and girl is strongly recommended as they face important decisions. The office of Respect Life and Catholic Charities would be able to provide counseling services.

The law allows the parent to give the child to a staff person at a 24-hour fire station emergency medical station or hospital and walk away, no questions asked and totally anonymous, thereby, giving the child the opportunity for adoption and the birth parent the chance to provide a new life for the child. For more information on safe havens of the Safe Haven for Newborns program, visit the website at [www.asafehavenfornewborns.com](http://www.asafehavenfornewborns.com).

1. Monsignor Pace High School believes that every effort must be made and every measure taken to preserve this life and the reputations of the students who become parents. The respective guidance counselor may meet with the student(s) concerned and their parents. Appropriate counseling and medical attention will be sought.
2. If a girl becomes pregnant while at Monsignor Edward Pace High School, the student(s) and parents concerned will be encouraged to seek the counsel of their respective pastor. 3. The Principal will make decisions regarding participation in classes while assuring the continuing education during the term of the pregnancy.
4. The Principal will determine the extent of involvement in extra-curricular activities.
5. Pregnancy itself is not a cause for dismissal from Monsignor Edward Pace High School. If the young woman does not marry and chooses to either keep the baby or give her baby up for adoption, she may at the discretion of the Principal, return to school to complete her education.
6. Married students may not attend Monsignor Edward Pace High School.

## **Suicide Policy**

If the school becomes aware that a student has made a suicidal gesture or that the student has suicidal thoughts, his/her parents will be notified immediately. Parents will be required to obtain a psychological evaluation from a licensed professional and agree to share the results with the school administration. If the threat is of a grievous nature, the student will be sent for counseling and may not return until an assessment and evaluation has been submitted to the Principal by the assessing agency. Please be aware that if any of the conditions listed above are not met, the school may require the student to withdraw.

## **Clinic**

A clinic is available for students. Since Monsignor Pace High School does not have a registered nurse in the clinic. It is housed in the Dean's Office. The school must receive the parent's permission (except in an emergency) to be permitted to go to the clinic. Students may not be in the clinic during any class period without permission from the teacher for that particular class.

## **Lockers**

Students will not need lockers since they will have all material available digitally, however, students will be able to rent lockers for the year in order to store school-related materials only. Locks will be included in the rental of the locker.

Lockers are the property of the school, and as such, may be opened by school personnel when there is a reasonable cause to do so.

Students may not go to their lockers during a class period. It is their responsibility to come prepared for each class. Therefore, it is expected that they may not access their locker at inappropriate times, especially during class sessions.

At the end of each year, students may be requested to clean out their lockers by a certain date. Any materials found in the lockers after that date may be discarded or sold without credit to the owner.

School officials reserve the right to search lockers, vehicles and students' property (such as handbags, bookbags, etc.) when deemed necessary to uphold the basic responsibility of the school regarding discipline, safety and the maintenance of an educational atmosphere. Contraband items may be confiscated and may be used as evidence in disciplinary cases. Refusal to be searched or to cooperate may be considered an admission of guilt and the full consequence may apply.

## **Lost and Found/Confiscated**

Monsignor Pace High School is not responsible for any materials or personal belongings that are misplaced, lost or stolen. Any property left unattended will be brought to the Dean's Office. Any items (electronics, books, jewelry, clothes, etc.) which are turned in or confiscated can be claimed in the Dean's Office. All items not claimed by the end of the school year will be donated by the Administration.
