

SCHOOL ATHLETICS, ORGANIZATIONS AND EXTRACURRICULAR ACTIVITIES

A high school education is far from complete without some participation in an extracurricular sport or activity. It is only through interaction with others that the Monsignor Pace student, can truly grow and mature. It is through their involvement and attendance at various events and games that any real dedication and spirit for the school will grow. It is for these reasons – growth and spirit - that the high school encourages participation in its many sports and clubs. Monsignor Pace High School is dedicated to the concept of supporting the many clubs and organizations it now has, and is working diligently to create and support new clubs and organizations.

The center of all extracurricular activities and events at Monsignor Pace High is the Activities Director's Office (ext. 218). Both students and faculty are encouraged to stop in the Activities Director's Office to discuss any matter that will help build the extracurricular activities at Monsignor Pace High School. The school encourages all students and parents to become involved in one of the student clubs organizations, or activities listed in this handbook.

School Sponsored Events

The school does not sponsor, oversee, or in any way control parties or social functions at private residences. School-sanctioned events, including all field trips, excursions, or parties, are specifically identified in this Handbook or are identified in the school calendar and/or written notices generated and distributed by the school.

Parents, by executing this acknowledgement of receipt of this Handbook, YOU, HEREBY, RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, affiliates and agents, from any claims or liabilities that allegedly arise from or are related to attendance at parties or social functions at private residences or from participation/attendance at events not identified in the school calendar or in written notices from school, including field trips, excursions, or parties.

Students engaged in conduct that is contrary to the mission and philosophy of the school may be subject to disciplinary action regardless of whether the conduct occurred at a school-sponsored function.

A student placed on the merit/demerit probation contract may not participate in any extracurricular activities. All tuition fees must be up-to-date, minimum 2.0 State GPA must be maintained, and class fundraising obligations must be fulfilled to participate in any student activity/student special event. Any monies paid or deposited for a student activity or student special event are non-refundable. If any student activity or student special event balance is not paid in full and/or the student is not able to attend the activity/event, the parent/guardian is still responsible for paying any fees for which Pace is liable whether or not the student attends the trip.

Tryouts

It must be understood that all students that try out for a team will not necessarily make the team. Ordinarily parents are not allowed to attend tryouts. Administration/Athletic Directors will normally not discuss tryout results with parents. Each student must have a signed permission slip, waiver, current physical form and proper attire to attend a tryout and/or be a team member.

Students **may** not be eligible for a tryout if the tuition account is in arrears or is not registered for the school year in which the student will participate. If a student is absent from school, he/she may not participate in a game or practice. Inappropriate conduct during a game may result in disciplinary action and/or fines to be paid by the student. Sportsmanship is a vital ingredient for all team sports.

Name, Image, and Likeness

Monsignor Edward Pace High School, as a member of the Florida High School Athletic Association (FHSAA), adheres to its regulations governing athletic competition. As set forth in the FHSAA Handbook, student-athletes must maintain amateur status in order to participate in an FHSAA-regulated athletic activity, and consequently student-athletes are prohibited from competing for monetary compensation, capitalizing on athletic fame by receiving money or gifts of a monetary nature, and/or signing a professional contract in any sport or having an agent to manage a student-athlete's athletic career. The school expects all student-athletes to strictly adhere to these conditions of athletic participation which prohibit NIL commercial activity by or on behalf of any student-athlete.

No employees or agents of the school, including its coaches and administrators, are authorized to involve themselves with student NIL, or in contract offers or negotiations with any agents or other third parties offering any monetary compensation to students and/or parents/guardians. Parents/guardians are specifically advised that students and parents/guardians should seek independent professional counsel in communications and negotiations with any agents or other third parties offering compensation and/or services to students related in any way to their athletic abilities.

Students are prohibited from making any reference to any school of the Archdiocese of Miami when engaging in any commercial activity. For example, students may not wear a team jersey or otherwise display an Archdiocesan school's name, mascot, or logo while engaged in any activity not specifically authorized by the Archdiocese of

Miami. Likewise, a student may not wear the apparel or display the logo, insignia, or identifying mark of any commercial partner during any school-based team activity. The names, mascots, and logos of Archdiocese of Miami schools have legal protections and their unauthorized use by a student or by a parent/guardian will constitute a serious violation of school policy and may have additional legal repercussions.
